

RECOGNIZING THE OUTSTANDING
ACHIEVEMENTS AND CONTRIBUTIONS
OF NORBERT DICKMAN

HON. HENRY CUELLAR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, May 4, 2009

Mr. CUELLAR. Madam Speaker, I rise today to recognize Norbert Dickman. As the General Manager of Fasken Business, Mr. Dickman has contributed so much to the Laredo community and the State of Texas.

Norbert Dickman was born in 1943 in Chicago where he would grow up and attend Quigley Preparatory Seminary. He would later move to California to attend St. Joseph's College where he earned an AA Degree and then a B.A. Degree in Philosophy from St. Patrick's Seminary. After traveling and attending school in Europe, Mr. Dickman settled again in California where he would study law at Hastings College of Law in San Francisco. After practicing in Larkspur, California he dedicated his service to Mrs. Barbara Fasken and made numerous trips to the Laredo and Midland areas to help her with her oil and gas companies as well as her ranch.

In 1988, Mr. Dickman moved to Midland and became the General Manager of Mrs. Fasken's business where he continues to serve today. He is a valued member of the community who dedicates numerous hours of his time to non-profit boards in the area including the Samaritan Counseling Center, the Executive Council of the Boy Scouts, UTPB Advisory Board, Permian Basin Area Foundation, Trinity School (where he was Board President from 1995 to 1997), and Casa de Amigos, where he was Board President for three years and is currently resident of the Endowment Board.

As the General Manager of Fasken business interests, Mr. Dickson currently oversees many oil, gas, and ranching operations in Webb County. He and his business have made many contributions to the city of Laredo and the state of Texas. His foundations have donated nearly 600,000 to the area over the past few years and his business has helped to revitalize the community.

Madam Speaker, please join me in honoring Mr. Norbert Dickman for his contributions and hard work over the years to the State of Texas.

PERSONAL EXPLANATION

HON. GLENN THOMPSON

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Monday, May 4, 2009

Mr. THOMPSON. Madam Speaker, on rollcall No. 207 I was absent on the evening of April 27, 2009, because I was attending a public meeting at the Allegheny National Forest in Warren, Pennsylvania, regarding the pending Supplemental Environmental Impact Statement (SEIS), ongoing litigation, and the proposed "settlement." Recent Forest Service actions on the Allegheny have created adverse economic distress in my rural district and are unfairly denying my constituents access to their legally owned subsurface mineral rights.

Had I been present, I would have voted "Yea."

TRIBUTE TO DR. SIDNEY J.
PARNES

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, May 4, 2009

Mr. HIGGINS. Madam Speaker, I am honored to pay tribute to Sidney J. Parnes, one of the great practitioners and researchers in the field of creativity and a co-founder of the Osborn-Parnes Creative Problem Solving Process.

In honoring Dr. Parnes as a pioneer in the worldwide understanding of creative thinking, the House of Representatives adds their appreciation to those that will be expressed by his family, friends, students and colleagues as they gather at Daemen College on May 8–9, 2009 for "Unlocking the Magic: A Tribute and Celebration with Sidney J. Parnes."

Dr. Sidney J. Parnes is co-founder of the International Center for Studies in Creativity, housed at my alma mater, Buffalo State College, and remains the only place in the world where you can receive a Masters of Science degree in Creativity. His contributions have added to the city of Buffalo's significant reputation as a dynamic arts community.

Dr. Parnes' passionate belief that creativity is a result of a balance between divergent and convergent thinking and that everyone can be taught to apply creative behavior in their personal and professional lives has led to his well-earned recognition as the world's leading expert in the field for more than a half century.

A life-long creativity researcher and author, world-class educator and Professor Emeritus

of Creative Studies at the State University of New York College at Buffalo, Dr. Parnes co-founded CPSI (Creative Problem Solving Institute) with Dr. Alex Osborn in 1955. The CPSI became an international gathering for the more than 50 years it was held annually in Buffalo when, at times, 700 people representing 36 countries were in attendance.

A life-long researcher and author, this world-renowned educator is responsible for assembling the most comprehensive library on creativity at the University with over 2,400 volumes and launched the scholarly Journal of Creative Behavior in 1967 which includes the latest research, tools and techniques on creativity, innovation and creative problem solving.

From 1967 to 1984, Dr. Parnes served as president of the Creative Education Foundation, presenting countless workshops on creativity and creative problem-solving for leaders in business, education and government throughout North and South America, Europe, Asia, Africa and Australia.

He is a recipient of the State University of New York College at Buffalo "President's Award for Excellence" and is a member of the Creative Education Foundation Hall of Fame as well as the American Creativity Association's Hall of Fame. He has also been recognized by the Innovation Network with a Lifetime Achievement Award for his unprecedented accomplishments to further the creative movement worldwide.

Our congratulations extend to his wife, Bea Parnes, whom Dr. Parnes called "my indispensable colleague, my life companion and dearest friend." Along with their collaborative educational research, they have served as board members of People Inc. for many years and provided numerous workshops for social agencies.

Our good wishes extend to his children and grandchildren who influenced and participated in Dr. Parnes pursuits as he has noted "I'm proud of my family and their achievements, especially their receptivity to creative problem solving and willingness to apply it from their earliest days to family issues and challenges."

I am pleased and honored to send the best wishes of the United States House of Representatives to Dr. Sidney J. Parnes and to his family and friends as they gather to celebrate his life, leadership and legacy of outstanding contributions to the creative life of those whose lives he has so greatly influenced and to the City of Buffalo, the "Cradle of Creative Studies."
